PAREKH
GROUP

A JOURNEY OF GROWTH AND TRANSFORMATION

75 years ago, in the 20th Century, the Parekh Family commenced business as a trading based organization in Gujarat. The business was trading in dates, ginger, timber, tiles, bamboo splits, coir, soda ash, cement, asbestos sheet, tarpaulins, cashew seeds, chemicals related to soda ash and export of spices.

The business grew and expanded gradually. The growth and diversification of the family business accelerated and from time to time investments in assets and human resources were made with the participation of the next generation/s of the Parekh Family. The Parekh Family has set up the Parekh group and its members have been wholly involved in its expansion, diversification and building up the business, assets and new entities.

Parekh Group have established and acquired a reputation of a family run business consisting of diverse entities with commonly cherished philosophy / values.

The Parekh Group has played a significant role in the areas of its business with a global approach, infrastructure expansion, personalized comprehensive solutions, setting up strategically positioned offices at most minor and major ports in India and 2 overseas offices for expedited cargo movement being well connected and headed by experienced personnel with years of service in the industry.

Parekh Group has recognized the changing dynamics of commercial world and evolved by appropriately crystallizing strategic alignment, realignment of the businesses with proper governance mechanisms, including provisions for induction of non-family professionals with talent / skills / experience, etc. for their involvement in the business/s.

ABOUT

**ORCHID
SHIPPING**

Orchid Shipping Pvt. Ltd. is the dedicated logistics arm of the Parekh Group, delivering integrated, compliant, and end-to-end logistics solutions across the global EXIM landscape. Established in the early 2000s, the company leverages strong synergies from the Group's Port & Transport Operations and Liner Activities, ensuring seamless coordination across every stage of the supply chain. With a strong presence across India and an overseas office, Orchid Shipping serves a diverse clientele both domestically and internationally.

Over the past 25 years, Orchid Shipping has evolved from a focused freight services provider into a fully integrated logistics solutions organization. Professionally managed by the Parekh family and led by a seasoned senior management team, the company brings decades of expertise in shipping, logistics, and global supply chain operations—delivering strategic leadership, operational excellence, and execution capabilities that extend well beyond conventional freight management.
